las palmeritas SAT

Farming the future, rooted in the past

Tradition and respect for the land

Tradition, quality and innovation

SAT Las Palmeritas brings together a group of family-run businesses and growers who combine tradition with the most advanced farming techniques available, with the aim of establishing themselves in both domestic and international markets through leading brands and produce grown to strict quality standards that guarantee freshness, flavour and high nutritional value.

United in the pursuit of excellence

Quality
We apply rigorous standards to ensure the highest quality in all our fruit.

Commitment
We stand for excellence, sustainability and the continuous improvement of our processes.

Sustainability
A love of the land and respect for the environment around us guide our work every day.

Our produce

Berries
A carefully curated selection of strawberries, raspberries, blueberries and blackberries, picked at their peak.

Citrus
Oranges, clementines and lemons prized for their freshness and flavour.

Tropical fruit
Avocados, mangoes and lychees that reach the market with their full flavour intact.
